Dear Mr. Walker:

I notice with a great deal of interest that you have been made Associate Editor of the Limestone Democrat.

I have enjoyed the friendship of your father for a number of years, and read your paper each week with a great deal of interest.

Please allow me to extend to you my congratulations and best wishes, and hope that your father will regain his health and be with us for a long time to come.

With kind personal regards,

Yours truly,

M. F. JACKSON
