Mr. R. H. Walker  
Speaker of House  
Montgomery, Ala.

Dear Sir:

I have been informed that there are some positions open for  
Stenographers, and I should like to be considered for a position.

I graduated from Dothan High school and have had two years  
of College training. I have also taught school several years and  
and have a good background of English. I have had a complete  
Business Course and some experience in Stenographic work.

It would certainly be appreciated if you would consider me  
for one of these positions. I should be glad to send recommen-  
dations if necessary.

Thanking you very much, I am

Sincerely Yours,

*Madge Payne*
