Dec. 11/912

Dear Harry:

Your lease of my building on The Square at Athens will expire a little over 2 1/2 months hence. It is necessary for me to know whether you will renew the building for another term; and, if so, to see if we can agree on a mutually mutual term. As to the term, I prefer a three-year term instead of a five year term. Kindly let me hear from you as promptly as your convenience will permit -

Chas Van Statten was here yesterday, selling books, and inquired particularly about you and Henry and Mother.

Yours
—
