Dear Harry -

Don't forget that there is a form,
the very best form, in Lumberton, known to
most people as the "Mortier Place" and that
it is still for sale.

We have advanced the price since but
to a good "satisfactory" price you should
be an adonator, so please let us know
if you have an opportunity to dispose of
it.

With kindest regards -

Yours
J. W. Knight
