A LETTER TO MY DEAR COUSIN

Barbara,

I am your older cousin. But even so, we've spent so many, many times together. You were in your Grandmother's house; and me, I was visiting so often. Although, I'm only four years older, I remember the day you were born. You were such a round, dark skinned baby girl with curly hair.

I remember you even as a toddler, when Ma took care of all of us while our parents worked. I remember you as a youngster; so glad to see me at school that you would run up and slap me in the back (and baby you could hit hard).

I also remember you as the fun carefree teenager and then the young adult. You had begun to mature and became the responsible Mother, Grandmother and Aunt. You provide the place for the family. Even in your failing health, you were loyal to your responsibilities, but always cheerful. You were the one who brightened our days with your loving, joking and most cheerful attitude.

But, there is one thing that is certain, you made preparations on this side to live forever with our Lord and Savior Jesus Christ. Now, you'll have no sickness or suffering. It is all gone and your beautiful smile will never be tainted by pain again. We love you, but God loves you more. He has claimed your soul and called you home. I'll see you when I get there. I LOVE YOU!

Your Cousin,

Arlene

Sleep on, dear Grandma
Tis God who thought best
To take you from this world of sorrow
To a lovely place of rest

Day - by - day I'm striving
To meet ya
In that fair heavenly home
Tis the land where all is happiness
Up there where sorrow is Unknown.

Safe in the arms of Jesus
Angels guard thy sleeping day
I am working forward
To see your resurrection day
