My dear Mrs. Walker:

Your sweet thoughtfulness in sending the lovely card and poem to mama to help celebrate her birthday was appreciated by her very, very much. She is an ardent admirer of yours and often speaks of you.

We are thankful that mama is with us and, except for trouble with one of her eyes, is real well and grows dearer and more precious to me each day of her life. Thanks again and do come over with Augusta to see us,
very sincerely,
J. Lee Malone.
