Representative R. H. Walker
Speaker of the House,
Montgomery, Alabama.

Dear friend:

I've been indirectly informed that there will be
an appointment of some Colored men and women for Adult Educa-
tion work in the State under the W.P.A.

I'd be pleased if you'd place my name in the hands
of the proper person, the governor, or Supt. Keller or Hon.
Thad Holt or the proper persons handling such matters.

Thanking you for past favors and wishing you a fine
record in this legislature.

Truly yours,

G. R. Bridgeforth
