Dear Sir:

Policy # 1-58532

The above numbered policy became effective on December 22, 1935 with a gross premium of \$ 48.62 . By carrying your insurance with this company, a mutual organization, your last year's policy earned a dividend of \$ 17.72 , thereby reducing the premium on policy #1-58532 to \$ 30.90.

Believe you will agree that we have been very considerate in the collection of your account. We have furnished sound protection for seventy-five days with a reduction in cost.

It is now necessary that the balance due on this policy be paid immediately. If you would like to arrange for payment of this balance by installments, please read the attached circular. By following this plan, your insurance premium will be easier to meet.

Unless we hear from you within the next ten days, we shall be forced to start cancellation proceedings on this policy. We trust that you will see fit to pay this balance and keep your insurance in force.

Yours very truly,

*B. Mayfield*
