Dr. F. W. Reeves,  
Personnel Department,  
Tennessee Valley Authority,  
Knoxville, Tennessee.

Dear Dr. Reeves:

My friend Mr. S. E. Roper, Sheffield, Alabama, is an applicant for a position with the Labor Relation Department of the Tennessee Valley Authority.

Mr. Roper is an intelligent labor man of high character, having been very active in public affairs, and I feel he is worthy of any consideration you may give him. Mr. Roper has been endorsed by my friend Judge Allen J. Roulhac, who is intimately acquainted with him. He stands well in labor circles, is a man of good habits and is in full sympathy with the TVA program.

Sincerely yours,

R. H. Walker.
