Hon. R. H. Walker

Athens, Alabama

Dear Mr. Walker:

Last summer when my son and I were at your office and subscribed for the Limestone Democrat (a paper which we feel that we could not do without), we mentioned that our farm on the river above Decatur would be taken by the TVA. You said if we were not satisfied with the price offered us to let you know. We are not only dissatisfied but humiliated to think that they would offer us such a low price for such highly productive land. One can not buy the cheapest lands in Limestone County for what they offered us.

We naturally wanted to re-invest in Limestone County, the heart of this tremendous development. We hope to see you in the next week or ten days, and would appreciate anything you might do for us.

Very sincerely,

Pearl Gunter Gay
