Dear Mr. Walker:

I am writing to know if you would be interested in listing the homeplace 501 So. Houston St. and trying to sell it for us? I have been asking \$4500 for the place, but you are more familiar with property values around there and I'd like to have your opinion on this valuation. If you are interested in trying to sell it, let me hear from you right away, quoting your terms of handling real estate.

Very truly yours,
