My dear Bob Henry: Your letter of  
Nov. 28 contains these words "I shall  
keep you in mind and promise  
to let you hear from me within  
3 weeks or less." If you consult  
your calendar you will see  
that the time has quite passed.  
I wrote you quite frankly which  
was very is some to me.

as I am not given to discussing  
my business with people not  
concerned — I asked for an  
immediate answer and I  
receive no reply —

I am now asking that you  
send me the following  
mortgages by return mail  
and the addresses of the

parties — I do not want to have  
to come to Athens for them but  
will surely do so. They are  
not forth coming at once. I  
am going to wind up all  
my business during the month  
January — Money is very  
easy to borrow & these parties  
have been not. paid for years

and now I am through.

Mrs. M<sup>c</sup> Gilliamer has consented  
to extend my note to Jan. 8 which  
he has done — The Kin Brough  
loan & interest was due Dec.  
27 & I have nothing —

Did you send M<sup>s</sup>. M<sup>c</sup> Mary  
the statement so that I could  
receive my portion of that place  
sold in September? You

See, Bob Henry. This is my  
insurance & naturally I am  
the one to look after it  
since your father is ill  
& that I intend to do. So  
please send me the  
following list of mortgages  
by return mail so that I will not  
have to come to Athens.  
I hope you are all well.
