Dear Mr. Walker:

This will acknowledge receipt of your letter of the 19th instant, and at the same time let you know that I was somewhat surprised to learn that you had not received a copy of my letter to Mrs. Kittrell which I wrote immediately upon my return to Birmingham. In my letter I explained to her that you would like for her to extend until August 1st your obligation to her and upon the same basis which she had previously agreed for it to be settled upon July 1st. I sent a copy of my letter to you and from the copy wanted you to know that I had recommended this extension. I have not heard from Mrs. Kittrell. Since you have not heard from her, I suggest that you write her a letter asking for the extension and I am sure that she will be willing to make the extension. If you find that you need me to assist you in this matter, please do not hesitate to call upon me for I would be glad to assist even if it became necessary for me to make a trip to Mt. Pleasant.

I hear of you indirectly and am so glad to learn that you are continuing to improve. I expect to take part of my vacation about the first week in July and hope to have the pleasure of seeing you again at that time.

With kind regards, I am

Sincerely your friend,
