Mr. Thos. W. Wert, President
American Life Insurance Company,
Birmingham, Alabama.

My dear Tom:

Please accept my sincere thanks for your cordial telegram and letter of congratulations upon my election as Speaker.

It was mighty good to know that old friends like you and Frank Julian were pulling for me during the long-drawn out contest. I want to assure you also that your work was very helpful in obtaining the final results.

I appreciate the enclosure, and am glad to know "Bennie and Barret" can now "see me."

With all good wishes for yourself and your Company, I remain

Your old-time friend,

R. H. Walker,
Speaker.
