Same this Here.

Dear Tom -
My white
Received your letter
Today, and conferred
with Mr Lamb.
It is, as I expected
wished out any formula-
tion in the world -
one has not had
a sensation recently
and this is her
opportunity
I have no doubt she
has asked to Congress

there, and make
them believe that
it is an immense
estate - Had her smiling
it is sure I have not
got' his Telling & helps
one, then she disprove
of it all - Some. more.
of (skel) ^{note} more
one, also, for Larr & to
go through her trunk,
and send her the
her cotton tax receipts
of her father, also
her mother's share,
of grand. has cotton
tax - I sent her there
never was any receipts,
and why would his Telling

her father, if
there had been
any —
Sis Fella had but
one idea that was —
to make the 5 original
beis equal — 2nd ~~and~~
each — After that ^{it} ~~it~~ on
for shortage in acres,
was the right of to come
out of the last payment,
she & since she owned
on the it up out of
the interest — The 2nd
she put into this house
was for a home to be
for herself, and to be
mine, when she was
gone, as her will & takes
plainly — These papers

of her, that she
signed and some
before a notary
public in Athens
will be full of
claims they may
bring against her.
She has a terrified
They would ~~seize~~
some times buy
things for her. After
wrote she till under
he sent to her, and
she paid it - Several
times she wrote that
she was sending a check
the last time, but it
was \$30.00
never came in any
other check 'Sue got

\$ 500, 00 of the 1000
of the mortgage - she
and Annie paid
\$ 1,350 on the
interest, first, in
second year, as Ith.
has it all down
in "black & white" -
The great thing the
is, you are dealing
with people that
have no reason, and
no regard for the
truth - The interest
was \$ 480 for each
\$ 1,000 - she said that.
I told me she

cover - all expense.
they might ever claim,
as she had. Always
paid her way with
them - she had not
been in their home
for 3 years except

two months -
Mrs Larr & thanks
of 3rd May, she writes
to him, where he
is your adviser -
I will not be surprised
at any thing they will
do - All of it would
be so far from anything
their gentle, sweet mother
would approve, or have

the more do -

I will help you all I
can - I am stronger
now. I have been
around in the yard.
I hope I have from
your mother in
several weeks I hope
is well again -

If you see Julia
tell her that Willie
wrote to her here this
week, & see Charlie
Middle (S?) who is not
in the section & live - & come
you must be sure to come
this summer being erect
Ruth, Mother will be

Home June 1st - She
said, tell you to be
sure to come -
Keep us informed
as to the arrangements -
I send you a list of
all his Telling had - I
expect Mr Lamb has
already sent it, as he
gives many white
minutes - Off -
