

Sardis, Miss.

Jan. 21 - 1950.

My dear Memory.

With and I enjoyed
being with you and I want
to thank you for your hospitality.
you and Harry were most
kind. We came back rather
tired from the long bus trips
Miss. seems so far from any
place you want to go.

I know you have enjoyed
Bets and Parents visit I
would love to have seen
them this time.
Hope you are feeling all

right and that our visit did it
tell you too much.

See Bessie Davis I was
sorry not to see her, when
I come to Athens again
perhaps the weather will
be better and I can get
around here.

Write when you find time
and tell us your plans for
morning.

Best wishes always

See Ruth —
