Mr. R. H. Walker,

Dear Sir:-

On returning to my office this morning after an absence of three days, I found yours of the 25th inst. awaiting me. I at once tried to get Boyd over the telephone, but was informed by his stenographer that he is out of the city, but is expected back tomorrow, when I will try and get in touch with him and fix a date for the suggested conference. Will advise you as soon as I see him.

Yours faithfully,

James H. Watson
