

Dear Harry:-

The check had
already been deposited
in bank here when
your wire came -
was deposited ~~in~~ ^{to} Sarah's
credit. I owed her some
money & they or she ruled
it. The \$12.00 I sent you
I had to pay for the
operation on my eyes -
I have to go over to see
the Dr. in Tampa

& let him examine them
have been examined once
but you know Cataract has
to reach a certain stage
before anything is done to
them. It is strange that
some times they are better
and again I can scarcely
see. I suppose I will not
need the money before two
weeks has elapsed.

We have had a hard
winter I have had to take
most of my rest to pay
for repairs & have had
to help Sarah with the
housework (she has no strength)
ill I am pretty well worn
out. The Dr. told me not to
do any work but I don't see

any way to help it.

I hope you can
manage about the
check so you can
get the money.

I think money + the
way it is the
most terrible thing
in the world. The little
\$ one nearly runs
me crazy. Hope you
are getting there,
Sincerely,
Rae
