My dear Memory.

Thank you

so much for your letter,
found it here on my
return from Memphis
yesterday.

I failed to ask you
about about the fee
for the pod you had
put on Louie's grave.

Will it be sent me?
or if you will write
me I shall send
a check and get
you to pay it for
me.

I am enclosing Ruth's
letter that you might
enjoy. She seems to
be very happy over
her job and I like
it too, it will help

to keep her talent for
writing alive,

I hope you will
enjoy your trip East.

With very good wish

Always faithfully

Sue Ruti -
