Dear Mary:

The enclosed carbon copy of our answer to W. S. O's communication of Sept. 27<sup>th</sup> (sent in three separate sheets), also microfilm, has been sent forward to Isabelle today. She will send it on to Ruby and the latter will mail it to the Administrator. I hope our answer meets with your approval. I waited a few days to see if you had any suggestions to give us. It's hard to know the best thing to do when we are so far from the point of interest.

For some reasons unknown to me Marie refuses to sign with the rest of us. She also refuses to say what she intends to do. I imagine she will write a person

own but I do not know. She  
has great confidence in you. So if  
you wish her to take any special  
position in this matter I'm sure she  
will do so for you.

We do want to back you in  
any position you take and if it's  
necessary to have Marie's signature  
you get in touch with her and I  
feel sure she will do what you ask.

Should you write her, she will  
not tell us of the letter. but any  
way you do is all right with me  
and all of us.

Let me know if you need me  
to do anything -

Truly and faithfully -

Lawrence

Mr. W. S. Peebles, Administrator  
of the Estate of Frances Snow Pryor, Deceased,  
Athens, Alabama

Dear Sir:

In response to your letter of September 27th in regard to the auction of Aunt Snow's property, we agree to the following items mentioned by you:

First, that you ask the Court to allow you to pay \$100.00 to Mr. Jim McCord for selling all personal and realty.

Second, that the sale may continue until 5PM or later if the auctioneer and those heirs present agree thereto.

Third, that the residence and lot be subdivided in such manner as auctioneer thinks best so as to offer them separately then as an entire unit, the highest price to be accepted.

Yours very truly,

truly,
