Dear Bob,

I wanted to tack to you  
Sunday night when you called  
but Bobby said "Is that  
Athens Calling, then I said  
yes, its your Daddy". He then  
and took the phone, and  
wouldn't let me get near  
him. Of course I gave him  
his tag, for I was afraid

are thoroughly enjoying him -

He is eating "Country Ham" right now for his breakfast - and he seems to enjoy all his meals -

He said that you that he had to feed his rabbits and Amos and help me gather tomatoes and peas for dinner, and that he would write to you later -

Don't worry about Bobby for the wise take the best care of him the possibly can -

Give Mr. & Mrs. Backus my best regards - and tell them Bobby loves them very much - He talks about "you-all" and few lots -

Write to us,

as ever

Yours, Abby -
