### *Do Not Stand At My Grave And Weep*

*Do not stand at my grave and weep  
I am not there, I do not sleep.  
I am a thousand winds that blow  
I am the diamond glist on snow,  
I am the sunlight on reopened grain,  
I am the gently autumn rain;  
When you awake in the morning's hush,  
I am the swift unflinging rush  
Of quiet birds in circling flight.  
I am the soft star that shines at night.  
Do not stand at my grave and cry.*
