

Flemingsburg, Kentucky

September 19 - 1939.

Dearest Mary:-

I received a copy of the Limestone Democrat this afternoon from Kate (Eubank) and hurriedly opened it to find what item of news had prompted her to send it - I was deeply shocked and grieved to find the news of Williams death and I want you to know that I am thinking of you and sympathizing with you -

I wish I knew something to say that would be a comfort to you for I know what a blow this was to all of you and how hard it is

to accept. He was so young
and so bright and I know
it was a great pleasure to
have had him near you
these past months.

I hope you are well, I
think of you often and wish
that I could see you.

Remember me to Harry and
Robert Henry.

With love and prayers

Devotedly Allie.
