

Leaf of a Tree

A Leaf fell from the Martindale family tree. The tree had been standing for 58 years, but the stress of time, the rains the internal and external pressure aches and pains caused a mighty fall in the forest. This piece of timber will no longer feel the hail and the rain on its leaves and branches, the strong winds, mighty Storms, the surgeon's knife, the sedation or immobility. For the carpenter Jesus needed this piece of timber so he arranged to move the tree that had been planted by the waters. He just whispered "George" come home let not your heart be troubled if you believe in my Father believe also in me. We believe he stands proud and strong, spreading his warmth and graciousness in God's Heavenly Garden.

Tributes

Grandaddy and Me

You Knew me when I was just a baby
Now I'm 6 years older
Missing you carrying me on your shoulder
I'm glad I knew you
For I will always love you
In my heart you will always be
Remembering my grandaddy and me
I will miss you more and more each day
Now listen to these words I say
"I Love You"

Hugs & Kisses,
La'Quanda

You're gone, but not forgotten
I miss you now, my heart is sore
As time goes by I will miss you more
Peace be with you always
My gods angel watch over you through the nights and
the days

Love,
Robin

A brother is a close friend
One who will be with you until the end

I Love You
Anna Bob

He only takes the best
God saw that daddy was getting tired
and a cure was not to be,
so he put his arms around him
and whispered " Come with Me"
we watched him suffer and fade away
Although we love daddy deeply
We could not make him stay
A golden heart stopped beating,
hard working hands at rest
God broke our hearts to prove to us
he only takes the best!
