Mr Justice Norton

Respectable Sir. I want you to know that  
it is a world wide agreement that today  
there is not a man with more courage  
than yourself. you have shown yourself  
in the unfortunate Scottboro Case to be  
a man of clean, honest, fair mindedness  
that are needed everywhere today.

God forbid that those men suffer  
but come what may you have done  
your part toward them as a man,  
a Christian, and a Gentleman. With  
no regards as to what are who you  
are dealing with, may God bless  
you and keep you.

Respectfully yours  
Hiram A. Fickling,
