2 - \$50⁰⁰ Liberty Bonds, for collateral at the
Farmers & Merchants Bank, trust they arrive
O.K. - also a letter of John written in 1917
the last time by the way I even asked him
for any money, but was terribly hard pushed,
and did not know just how hard it was

my date must be wrong - the \$155⁰⁰ he
gave me when we all met James two

interested in my business career, and
questioned me a lot, said however
he knew I did not get enough salary
thought I only had \$20⁰⁰ per week, I disa-

get back on what I draw, 11/12. Willard
gave me my salary while I was gone -
(never heard of her doing that) said I
