## FARM CREDIT ADMINISTRATION

NEW ORLEANS, LA.

FIFTH DISTRICT  
ALABAMA  
MISSISSIPPI  
LOUISIANA

July 28, 1936.

Mr. Harry Walker,  
Athens,  
Alabama.

My dear Mr. Walker:

I understand that the Legislature will convene most likely in September. As you know I am qualified to hold a position as committee clerk, typist or stenographer, and I would like very much for you to appoint me to one of these..

I have a very nice position with the Federal Land Bank here, but since my family has moved my expenses are very heavy and I should like to go back to Alabama as I feel that I would have an opportunity during the legislative session to secure permanent employment there. Do you think we'll have to pass another Carmichael Bill in order to accomplish this? If so, please proceed!

I'll close on an optimistic note by saying, "I'll see you in September!"

Cordially yours,

*Edna Alexander*
