

FEDERAL HOUSING ADMINISTRATION

BETTER HOUSING DIVISION

J. G. BAKER
COLBERT COUNTY CHAIRMAN

SHEFFIELD,
ALABAMA

Hon. Harry Walker,
Athens, Alabama.

Dear Mr. Walker:-

Mr. S. E. Roper of Sheffield, Alabama, an employee of the Southern Railway shops here, and also Vice-president of the Alabama State Federation of Labor, is seeking to secure a position with the Labor Relation Department of the Tennessee Valley Authority.

Mr. Roper is an intelligent and representative labor man of high character and active in all public affairs. He is entirely worthy and I am sure he would fill a position of this kind most satisfactorily.

Dr. F. W. Reeves of the Personnel Department of the TVA, I understand, will make this appointment. If you will write him a word in behalf of Mr. Roper it would be very much appreciated and might be worthwhile.

Mr. Roper is strong in labor circles, has good habits, very active in public affairs and is in full sympathy with the purpose of the TVA program. I understand this appointment is to be made soon.

Hope you are getting along fine and that you will have many opportunities for rendering service to the people of Alabama and also of making political reputation for yourself. With regards and best wishes, I am

Yours sincerely,

Allen J. Roulhac.
