Honorable Cessner T. McCorvey,  
Mobile, Alabama.

Dear Mr. McCorvey:

I am grateful to you for your cordial letter of congratulations upon my election as Speaker.

I appreciate your good opinion of me and hope that I can fulfill your prediction in making an efficient presiding officer.

I note that you are still of the opinion that the people of your Congressional District should have the privilege of nominating their own Congressman when a vacancy occurs. I trust you will have as much success in securing the primary in the first district as you did in 1933 when helping some of us in the eighth district in having a primary called for the successor of Congressman Almon. You were extremely helpful in that fight and I deeply appreciate it.

Sincerely yours,

R. H. Walker.
