

Denver, Col.

Aug. 20, 1920.

My Dear Bill =

I was quite glad to hear from you a day or so ago even if you did enclose a few bills. I will pay them when I return.

I hope you had no trouble getting out the paper this week. Be sure to get a copy of last week's and this week's Courier and send to me. I also sent the writing paper and the envelope. Please do these at once so you will not forget it.

The only cheap thing I have found out here is the Daily papers - 2 cents each so I buy three or four a day as they put out several editions.

From what your Aunt Elsie writes, Echo Lake Springs must be quite a gay place. I expect it will not be a very profitable investment for Kostas.

and William.

How is the job work coming on - are you getting much of it to do? You might try your hand at soliciting it as well as administering.

Have you ever done anything toward seeing the Hudsons? You haven't mentioned it in your letters. I am quite anxious to get my money out of it as soon as possible. I want to get as many of my debts behind me as possible before I return to Denver, and I am not able to have \$4,500 tied up in an unnecessary card. Ed Gilbert might be able to help you sell it.

Did you ever see Jack Graham and find out whether he has rented the Brock & S - building?

I trust you will answer all the above questions immediately on receipt of this letter.

His real estate has been very active

during my absence? I hate to think of being knocked out of the game when the prospects were so good for making a "killing" this fall. I am afraid by the time I get back to normal hard times will be here again and business in my line on the beam. I understand it is quiet here now. Property is pretty cheap in Denver compared to other cities, I believe.

Write me often. I hope to be back in Athens within 10 days or two weeks from the time you get this - at latest. I hope my "big boy" is keeping in the strait and narrow while his Dad is away from home. Look after business as closely as possible, but have some wholesome pleasure as you go along.

With Mother and Bobbing for me  
Devotedly, Dad.
