Dear Bro Walker

It is useless to tell  
you we are doing our  
best to get you speaker  
of the House. Have  
thought over the  
matter quite a lot.  
We will make a trip  
to some of the adjoining  
counties soon after the  
election.

Mr Mat Majors  
is working with the

convict crowd here  
His home in South  
Ala. He has a nephew  
lawyer in Mobile and  
wants you to write him  
Thinks we can get him.

W C Taylor Attorney  
at law Mobile.

Said this would get him  
Tell him you are writing  
at request of Mat Mayors  
who is in Jackson Co  
with convict camp  
Also write M A Travis  
and ask him to see  
Mr. Castleberry who is the  
Rep of that Conecuh County

Travis is a great  
publican of the county  
and great buddy of  
Castlebury, guess you  
have initials of Castlebury  
Mr Mayors had forgotten  
them. In each case  
if you should write them  
give Mayors credit or  
as reference

Perhaps you have  
been in correspondency  
with the parties and  
all this is unnecessary  
However be your  
Judge, was down to  
Birmingham Sat

Saw Col Bibb Mark  
Tucker and other Big  
shots, Col said he  
was in perfect health.

A crowd of us may  
attend the banquet  
night of or after  
election.

Hoping all will  
and well for us all

I am Very Truly

W P Jenkins
