

HOUSE OF REPRESENTATIVES

MONTGOMERY

Kansas Ala

Apr. 3rd 1935

Hon. R. H. Walker, Speaker,
Montgomery, Ala.

Dear Senator, I am writing
you to pledge my support to
your proposed bill on re-
apportionment as described
by the Alabama Herald in yes-
terday's issue. This is, in my
opinion, about the best that can
be done in the solution of
this problem. I would not
support any measure which
deprived any county of a repre-
sentative; and the idea of
dividing the remaining 23 ac-
cording to population is most
excellent.

Hoping that I may be
of assistance to you in putting this
through I am,
Sincerely yours
H. S. Sparks
