ACKNOWLEDGEMENTS

The family wish to thank, members and friends for all acts of kindness shown during the illness and death of our loved one. May God Bless all of you.

Thanks to People Funeral Home for their competent Services.

God saw that the road was getting rough
The hills were hard to climb
He gently closed those loving eyes
And whispered, peace be thine.

The weary hours, the days of pain
The sleepless nights are passed
The ever patient worn out frame
Has found sweet peace at last.

I know the way sometimes seems rough
And hearts seem hard and bare
But I walked with God this morning
And it's warm in there

WHAT IS A MOTHER

IT TAKE A Mother's LOVE to make a house a home,
A place to be remembered, no matter where we roam...
IT takes a Mother's PATIENCE to bring a child up right,
And her COURAGE and her CHEERFULNESS to make a dark day bright...
IT take a Mother's THOUGHTFULNESS to mend the hearts deep "hurts,"
And her SKILL and her ENDURANCE to mend little socks and shirts...
IT takes a Mother's KINDNESS to forgive us when we err,
To sympathize in trouble and bow her head in prayer. . .
IT takes a Mother's WISDOM to recognize our needs
And to give us reassurance by her loving words and deeds...
IT takes a Mother's ENDLESS FAITH, her CONFIDENCE and TRUST
To guide us through the pitfalls of selfishness and lust...
And that is why in all this world there could not be another
Who could fulfill God's purpose as completely as a MOTHER!

WHY DID YOU HAVE TO GO?

Why did you have to go grandmother? That question often stays in our minds. You were so sweet, loving, and kind, but a better place you are I know, but yet, and still why did you have to go. You will always be with us every step we take. Your smile and your memory will always keep alive, and even those times you joked and asked for "five". Oh grandmother we loved you so much, and living without you is going to be so tough, but you are in a better place I know, but yet and still why did you have to go. You meant so much to so many people they'll miss you I know, but no more pain, and no more suffering you will have to go through, but now that you're gone what will we do? Oh grandmother we loved you so, but yet and still why did you have to go.

LOVE,

Tremaine and Kelvin
