## Obituary

*Sister Eula Mae Woods was born December 7, 1953 to the late John Henry and Martha Odell Woods in Limestone County. On April 17, 2000 at 6:25 PM the Lord came into Eula's room at UAB in Birmingham, Alabama and told her, "My Child you have suffered long enough, it is time for you to come and go with Me".*

*Eula was reared in Limestone County and attended and graduated from Trinity High School.*

*She confessed Hope in Christ at an early age and united with Saint Mark Primitive Baptist Church under the leadership of Elder Lester Baker.*

*Eula was an active member of St. Mark Church where she was a member of the #2 Choir and Mass Choir, attend Sunday School and Bible Class throughout her sickness Eula was an active member, under leadership of Elder Kenneth Owens. Her smile and her sweet manner will be missed.*

*Eula leaves to cherish her memories, one son, Maurice Woods, one grandson, Malachi Compton, Three brothers, Johnnie (Bobbie) Woods, of Indiana, William (Mattie) Woods and Wade (Marian) Woods, both of Athens, Five Sisters, Odell (Homer) French, Alice (Romera) Jones, Nancy (Bo) Woods, Katie (Ronnie) Ratliff and Minnie Bell Woods. Three Uncles; L.C. (Addie) Bailey, of Athens, Willie (Louie) Bailey, Morris Bailey both of Dayton, Ohio, seven aunts; Dessie Jones, Linda Jackson and Doris Ann Cogdell, all of Ohio, Alice Woods, Margie Bell, Hattie Malone and Mae Ella Malone all of Athens, a host of nieces and nephews cousin and relatives*

*Eula was sweet and very kind  
No matter what you asked she never mind  
Her wisdom and knowledge will forever stay  
In all our hearts each and everyday.  
If she were here you would hear her say  
get your life together because God's on His way  
She would say don't worry about me  
for what ever God's will its going to be.  
She made preparations for this day  
Because she always knew she wasn't here to stay  
She always tried to do her best  
Until God called her home unto her rest.  
We all loved her  
But God knew what was best.  
Niece,  
Sharon French*

### *Recessional*

*We all know that everybody must die  
but the sad part is you left  
without saying goodbye.  
We don't blame you for our loss  
and we don't blame you for our pain  
but we want you to know even though you are not here  
our love for you will remain, they say you never  
know how much you love somebody, until that  
somebody is gone  
And even though you are here spiritually,  
I still feel all alone  
I wake up every morning and face the fact you are gone  
But the thought that you still love me  
helps brighten up my day.....
