Dear Mother,

I received your letter today at dinner - you said answer it soon. This is written within 30 minutes after I got it. Fast isn't it? About the sweater -- Try to get the "skittie" ^(solid) red and light weight.

Dad is staying in your Room and making the gives. We were invited to Hortense's sup. But already had dinner caught. Emma says she will be glad when you return. We had about a 5 inch snow Friday much to everyone's surprise. Decatur beat us Thursday. They intercepted a pass and ran 95 yards for the only touchdown. Rumor generalship on Roy's pants as fact. - Back.

Hope you are enjoying yourself to the fullest. In my tests in hygiene

and science I ranked 4th.
in both. Billy ranked 7th
in one and 4th in another.
How's that? huh?

I think my letters have
been right consistent don't you?

How were Bob's brats?

I've got to put in
a little dudgeon with the
big hooks with much know-
ledge as their contents. See you
P.C.C. 2.

Love to Bill and Mimi
and Jew. Oh all the
rest too.
