

9/11/39

My dearest Mrs. Walker:

I find mere words inadequate - but please believe me, when I say you Mr. Walker Bob Henry and Mamie have the deepest heart felt sympathy from one who knows. I wish that I could do or say something to help you, but only the Heavenly Father can. as Christian people like you know, and in time he will; just keep trusting him.

Sincerely your friends

Elsie D. Black.
