Hon. R. H. Walker  
Athens, Ala.

Dear Mr. Walker;

Hope that the political situation is developing to suit you and that we will have out a full ticket representing our views. Read what Wallace had to say in the Age-Herald of today. If you will read my letter you will see that he is getting around to my way of thinking. I have been thinking thoughts like that for more than twenty YEARS. Wilkie and Roosevelt are also catching up on the matter of taxation. In Wilkie's speech of yesterday he used the exact words I used in the letter to Hill in April 1941, which I afterwards published with other letters in ~~phax~~ pamphlet form. Hope you get the job you want and if not that you decide to run as delegate to the convention. With regards and best wishes, I am,

Sincerely,

*Allen J. Roulhac*
