Dear Senator,

Your letter received
and I requested our secretary, Mr Bailey, to give you the necessary information and no doubt you have already heard from him.

I hope you and your friends will make application for membership in our union direct to the I. T. U. It is customary to print all applications for membership in our official journal, printed monthly, which would delay action till sometime in September. But I asked Bailey to make a special request that this formality be waived.

in your case, and should you decide to apply for Membership and the I. T. U. acts at once, you could get the label without much delay.

I would certainly like for you to become a Member. I know your sympathies have always been with us and that you thoroughly understand our aims and purposes.

Should you be elected and I sincerely hope and believe you will your connection with organized labor will put you in touch with some of the leading men of the country.

labor leaders and others
of prominence who are
friendly to us. Contrary
to propaganda put out
by our enemies, we are
asking nothing from
the public but a square
deal - no special favors.

And I know when
you are elected to
Congress will have
another friend at court
who will do his best
to see that all labor
gets a square deal.
Your record shows
you are for the people
as a whole. And at last
we have a president
of that type, the greatest
man, I think, who has

ever⁴ been elected to that
high office

I know of no other
way you can get the
label on your printing
without sending it to some
union shop in another
city.

Anyway, whether or
not you get the use
of the label in your
own shop, I hope you
will join our organi-
zation. We need more
members of your caliber,
and we appreciate the fact
that you are one of our
real friends.

If I can help you in any
way, I will gladly do so.
Yours sincerely,
