Dear Mr. Walker;

Your communication with campaign matter enclose received. Think it is OK. Instead of saying the Norris bill would have said the "oosevelt plan for Tennessee Valley Dev. Where you ~~metion~~ⁿ your appointment by Comer as delegate I would say one of the progressive delegates suggested by Comer, as you ~~had~~ always supported ~~xx~~ the ideals of the progressives in the ~~xx~~ State.

I would bear down on Carmicheal's corporate connections. I had a discussion with one of his supporter s few days ago. I told him we had to judge men by their records and not because ~~their~~ partisans said they were great men. I told him if he would cite me to a single instance wher^e C had fought for measures for the public interest in opposition to special interests I would vote for~~n~~ him. He failed to do so or even attempt to do so. I told him the greatest accomplishment of C public career was to get tax exemption for a long number of years for the Alabama Power Co. and that he had always been support^{ed} by this company and was no^w being supported by their attorneys and agents.

Hope you can come to this county soon and make a number of speeches, one at the Southerⁿ shops at the noon hour and as any more in the county as you can.

Let me know before you come and I will get up a list of people I want you to see.

If you can write Amos F^ree man and send him a few of your circulars.

Bear down on Carmiceal's connections and record. Believe he will be easier for you to defeat in a run off than would Malone. The C corporate crowd would go to Malone before they would~~ll~~ you. The Malone support would mostly go to you on geographical grounds. With regards and best wishes, I am,

Allen J. Roulhac
