Dear Mr. Walker.

Enclosed You will find Application with the endorsements on same. I could have gotten More but these are the main ones I think. Henry Jones and John Coleman will sign if I could have got to them,.

I sure do appreciate the interest You are taking in My behalf and hope some Day to be able to repay You in some way, If You only knew I had I need a job I know it wouldnt bother You as much.

I want to be in Montgomery the fifth anyway and hope You are there to, If I dont go down with Mr. Kirby I will be down there when He comes, I may have to go to Tuscaloosa, soon about My Compensation if it is the same time I can go to Montgomery from there I will have to make the trip as cheap as I can for I am borrowing the money to go on.

If there is any chance at all please get Me on with the first bunch,.

I had a letter from Mr. McAdory today, saying that He was in receipt of My application and had turned it over to the Governors office, . This was one I had writte before I had ~~any~~ any endorsements. So I want this one to be sure and be on the Gov., desk when He returns. If I could be lucky enough to get a Sargeants place I would be tickled to death and get a car instead of A Motor cycle. but will be satisfied with anything they offer Me.

I want to thank You again for Your interest and I want to assure You that You will never regret it.

Your Friend, Kelly Morgan.
