Hon. Harry Walker,  
Athens, Ala.

Dear Mr. Walker:

I am a member of a small group here in Birmingham which has been meeting at fairly regular intervals for the past three years for the purpose of informing ourselves on our state government. Among various other subjects, the group has interested itself in the subject of Legislative Reapportionment. Knowing of your interest also in this subject I am writing to ask you if you would be so kind as to write me what Reapportionment Bills have been introduced in the Legislature and to what committee or committees they have been referred. I would also like to know if any date has been set, or if you think any date will be set for a public hearing on any of these bills. I would appreciate very much any information which you will give me on this subject.

Yours very truly,

JCS:m
