Monday.

My dear Memoirs

are coming up to
Athens Friday on
the after-noon train
and will meet
a man there to

decide about marking
Dow's grave.

I can't spend the
night this time
but will drive back
with this Mr.

Snyder.

I hope you are
not away and can
give me your time
Friday after noon.

as I want your
help in this.

Have been so busy
moving and many
things to look
after have not
been able to write
sooner.

Send me a line
I shall come
to your house,

from the train
My love to the
three of you.

Always faithfully
Sue Ruth
