*Daddy*

*Daddy's love lives on because his love time, he freely gave.  
Deep down inside we know this is how he wanted us to behave.  
In our hearts there is an empty space that no one else can replace.  
But this emptiness does not compare to what our Dad faced.*

*A vision is carved in our minds of him being more beautiful at this time.  
For we see him smiling, being happy rejoicing with Jesus over his climb.  
We both are looking forward to a reunion in heaven,  
which we know will take place.  
When we both joyfully celebrate with you,  
our Dad, over God's loving grace.*
