Capt. R. A. Burleson,  
Sheffield, Alabama.

Dear Capt. Burleson:

In going over some letters today I find one from you under date of June 21 in which you asked me to accept membership on the Board of Trustees of the Roosevelt Memorial Association of the Tennessee River Valley.

I regret that this letter was misplaced but I assure you that it was an accident and the delay in answering it was not intentional.

Sincerely yours,

---
