

May 2, 1935.

Captain Wallace H. Faulk,  
P.O. Box 386,  
Troy, Alabama.

Dear Captain Faulk:

Yours of April 30 received. My recollection is that the bill to which you refer was referred to the committee on education. I suggest that you write to Dr. Wright, chairman of that committee.

With kindest regards,

Sincerely yours,

REW:AIS
