Dear Harry:

I have your letter of yesterday
and check for \$50.00, October rent.

I will rent memory \$15.00 on the
fifteenth of each month or earlier.
To master's board: in accord-
ance with your suggestion. While
I shall not move to memory any
original explanation in the pres-
ence, I believe it would be wiser
for you to do^{so}; since I anticipate,
otherwise, that she will inquire
of me the idea etc. of the arrange-
ment. However, if you prefer not
to explain it to memory, I shall
not volunteer an explanation.

Yours
Thos. C. McClellan
