Dear Memory:

It was truly kind of you to give us the detailed information about the sale so promptly, and at a time when you were all tired and feeling lagged. The whole experience must have been most trying on you.

We do thank you for purchasing the Leslie photographs and we expect to reimburse you for that so let us know the cost. If you decide to sell the national S. A. G. pin with "Richard Bland" law, one of us might want to buy it from you, so keep in mind the price of that also.

Yes, the whole sale did bring more

than I anticipated, and, of course, I'm glad of it. We are all so pleased that you and Luke got the portraits you wanted. Sorry the chair you bought was one that had been mended.

Guess we'll get "official notes" later. I don't know what is best for us to do about contesting those notes. You and Mr. Rankin will have to decide that. But I'm hoping the court will not allow the \$400⁰⁰ lawyer's fee to H.S. Co's attorney.

Wish you felt like running down to see me and "telling off" - He will be so glad to see you any day.

Much love and appreciation to you and Harry from us all.
Fondly,

Therence
Anything you and Harry think right about Annetta's fee is all right with me. I -
