

will feed every energy toward getting flesh
and her digestion in good condition.

Suppose you know I had a light - case
of flu, with a bad ear, has made me
rather deaf, so am giving every few days
to have it blown out, and to Cap it -
all, an injury fell out - Costing \$12⁰⁰ to put
another in, every six inches we need an-
other doctor, so with - thing for me, mean
money. I had my bank book balanced &
had the large amount of .52 cts with -
all the insurance and taxes, ^{& repairs} do not
see where real estate pays. Has Ted paid
me what he owes, & did the man (has forgot -
ten his name) pay the \$40⁰⁰ int. & part of note -
due in Dec. also has any interest been
paid on the \$457⁰⁰ I paid m. Ryan
estate? (taxes to the government) and is there
any due I can get hold of, for some

of this brotherly love? Did you ever fix that
\$200⁰⁰ due me from John's estate, it was in-
terest he never paid, I told Herbert - Sam
& Betsy about it - & I am not going to
allow Herbert - do me out of it, - you
told me to write the things I wanted to
know in the type writer, I did, but fear you
perhaps hold it - for as yet, it remains a
silent issue - I know you think these ex-
tates are a pest, but unless I get it -
from you am ignorant of all pertaining to
my interests, I have decided Ada must
manage very well, for I have so little to
show for my money - & she practically
keeps that family up. Tell Bob Henry
I am determined to write him, for I ap-
preciated the nice letter of thanks he wrote
me. Was delighted you told the Indian
Place, you did not.
