Mr. R.H. Walker, Jr.,
Associate Editor, The Limestone Democrat,
Athens, Ala.

Dear Mr. Walker:

In the Birmingham News I note you have become associate editor of the Democrat to assist your distinguished father.

Editor and Publisher of New York, of which we are Alabama correspondents runs a weekly "father and son" feature for which we would like to have picture of yourself and father.

Will you be good enough to loan us a couple of pictures for this use, one of yourself and one of your father, whom I am glad to note is recuperating from his serious illness.

If you will send along these photos we will much appreciate it, and in turn will send you copy of Editor & Publisher which contains the write-up and pictures.

Kindly also indicate how long your father has been at helm of paper, and your school and college training.

With best wishes,
SOUTHERN NEWS SERVICE
