Dear Mr. Walker;

Your letter of recent date with enclosure received. I enjoyed the editorial and am in full accord with you, even tho I was born in the Black Belt and spent the early part of my life there. Was~~x~~ glad to know that you had written Senator Norris and urged him to make trip here with Mr. Roosevelt. Like you feel that we should do ~~ev~~^ery thing possible to combat the influence of the Power Group. Know that they are always busy.

Hope you will be sure to come down on the 21st and that you will bring the lagger part of Athens and Limestone County with you. We would like to have representative men of the Tennessee Valley and a tremendous crowd here on that occassion to show our appreciation of his coming and to make a good impression, if possible.

With regards, I am,

Sincerely yours,

Allen J. Roulhac
